TEACHING RESPONSIBILITIES: (summarized)

2012 - 2020 Specialty Coordinator, Women's Health DNP Program

Oversight and review of curriculum; review applications, conduct interviews and submit recommendations for candidates for admission; recommendations for clinical sites and preceptors.

2015 - 2020 DNP 712 Clinical Residency and Management

Project mentor for third year DNP students.

2012 - 2020 DNP 613/614; DNP 615/616; DNP 617/618 Course Co-Coordinator and Faculty:

conducting site visits for program quality assurance; evaluate student performance in simulated clinical exercises and at the clinical sites; preparation and presentation of course content. Training for family, adult, and women's health students in IUD and contraceptive implant training placement. Endometrial biopsy and I & D for women's health students. Program evaluation and revisions, syllabus revisions, student interviews, admissions decisions, student advisement, preparation of university and college administrative reports.

2017 DNP 603 Health Equity & Social Justice

Classroom and online instruction in the historical and theoretical foundations of justice when working with vulnerable populations. Evaluate student progress in understanding and assimilation of course content through their scholarly writing assignments, content of posts on social media, and participation in online course discussion boards.

2015 - 2019 DNP 703 Scholarly Writing

Classroom and online instruction in the mechanics and conventions of scholarly written communication in a variety of genres

2016 -2020 DNP 707 Disseminating Evidence

Classroom and online instruction in preparing ethical and effective reports of outcomes of the DNP project via the media, journal publication, conference presentation, and within the community.

Course Coordinator – 2017-2020; Guest Lecturer 2021, 2023, 2024

2010 - 2015 DNP 712 Clinical Residency & Management

Clinical supervision of second year Doctor of Nursing Practice students for experience in reproductive health for women. Students were from Adult, Family and Women's Health specialty tracks. Included supervised clinical practice in placing IUDs

2003- 2008 Advanced Practice Nursing Role Development/Health Policy

Course Coordinator - Professional development course for nurse practitioner students; content included theoretical frameworks for practice, role differentiation, ethics, legal issues, current issues in health care policy, advocacy, marketing, negotiation, coding and documentation and writing for publication.

2002-2005 Women's Health Core Curriculum

Specialty content courses for women's health nurse practitioner majors. Included developmental theories, culturally appropriate care, health disparities, care of the childbearing family, general reproductive health care for women, care of the older woman, sexual health, management of complications in childbearing and women's health.

2002-2019 Advanced Health Assessment

Didactic and lab practicum in physical assessment of adolescents and adults; women's health skills

DNP Project Mentor

2012-2014 Sylvia P. Hayashi, "Use of an Evidence Based Protocol to Increase Exercise Counseling by Providers"

Chair, DNP Project Committees

2020 – 2021 Elizabeth Wood – Increasing Oral Health Care for Pregnant Women

2019 - 2020 Kinley (Brownsberger) Ward - A Gap Analysis of Syphilis Screening During Pregnancy

2019 -2020 Maria Babb - Increasing Cervical Cancer Screening in a FQHC

2019 -2020 Edie Watson - Using a Clinical Decision Support System to Improve Screening for Gonorrhea and Chlamydia

2019-2020 Brittany Schulte – Intention to Breastfeed in Pregnant & Parenting Women Recovering from Substance Use Disorder

2019-2020 Vanessa Lavender – Increasing HPV Vaccine Uptake in Military Service Members

2019-2020 Karen Marinot – One Key Question: Women in Recovery

2019-2020 Stephanie Rideaux – Analysis of Oral Health Care Services for Pregnant Women in a Federally Qualified Community Health Care System

2018 - 2019 Shane Lucero – Initiating and Evidence-based Medication Assisted Treatment Service in a Community Primary Care Practice

- 2018 - 2019 Sara Shanah – Analysis of Oral Health Care Services for Pregnant Women in Federally Qualified Community Health Center System.
- 2017- 2018 Benjamin Schulmbrecht – Increasing HIV Risk Assessment and PrEP in Primary Care
- 2017- 2018 Philsy Jaison – Oral Health Care Promotion in Pregnancy
- 2016- 2017 Leah Russo – Increasing Completion of Postpartum Visits
- 2016-2017 AnnMarie Puttbrese – Shared Decision Making in Menopause
- 2015- 16 Julee Avram - Increasing use of Long Acting Reversible Contraception (LARC)
- 2015-16 Stephanie Campos-Sustainability of Quality Initiatives in a Military Healthcare Setting
